HOLIDAY MARKET DETAILS

Sycamore Lane Elementary is excited to organize a Holiday Market for our students where they can choose gifts for their family and friends. It is being held in our school library on December 19 & 20.

To make this event a success, we would greatly appreciate your support. If you or your business have new, hand-crafted, or gently used items to donate, we would love to repurpose them! We are looking for items suitable for parents, grandparents, siblings, and friends of all ages.

HERE ARE SOME IDEAS FOR DONATIONS

(though this is not an exhaustive list)

- Handcrafted items
- Donations from businesses
- Household items
- Decorative home items
- Unused mugs, dishcloths, or towels
- Purses and jewelry
- Books for all ages
- Puzzles and games
- Holiday decorations
- Gadgets and tools
- Gift bags of all sizes and tissue paper
- Gift tags and labels

Please note we cannot accept clothing or stuffed animals.

Your generous donations will provide students with the opportunity to experience the joy of giving!

Please ensure that donated items are clean, in good condition, and include all parts. We hope the items you donate will be of a quality you would be happy to receive as a gift.

Any items that remain after the Holiday Market will be donated to Beacon House.

Thank you so much for your support!
