## Online Platform Risks From Unplugged Canada

### Sharing on behalf of Unplugged Canada

Many digital platforms today, including social media, online gaming and AI chat tools, are designed to keep kids scrolling and engaged, often exposing them to addictive features, adult content, and interactions they may not be developmentally ready to handle.

Below is a resource that outlines some of the most common social media, gaming, and AI chat platforms, helping families better understand the risks, start meaningful conversations at home, and consider delaying smartphones and access to these apps until kids are more developmentally ready.

You can access the full resource [here](#).

*Unplugged Canada is a parent-led, national movement advocating for healthier childhoods by delaying smartphones and social media until kids are more developmentally ready. ## Learn about the Influenza vaccine

### FLU VACCINE SAFETY

- The flu vaccine cannot cause the flu
- Serious side effects are rare, affecting less than 1 in 1000 people
- Common side effects include pain and swelling at the insertion site

### HOW TO BOOK YOUR VACCINE

- In Nova Scotia, flu vaccines can be booked online and are free of cost
- You can also call to book at 1-833-797-7772. If you or your child does not have a health card, please call rather than booking online

### FAST FACTS ABOUT THE FLU VACCINE

- Influenza (the flu) is virus that peaks in transmission in the fall and winter months
- Most people are mildly ill when they contract the flu but sometimes the flu can be serious and require admission to the hospital
- Children under 6 years are at the highest risk of serious complications from the flu
- The flu and RSV can occur at the same time making children more at risk of needing hospitalization
- The flu vaccine is recommended yearly for children 6 months and older to protect against serious complications of the flu

## Planning for Inclement Weather

Did you know? HRCE takes great care when making the decision to alter the regular operations of schools and school buses in the event of severe or inclement weather. It is HRCE's goal to communicate any changes to the regular operations of schools and/or buses as close to 6:00 a.m. as possible. **A 6:00 a.m. announcement could be:**

- All schools are delayed in opening by two hours and bus pickups are delayed by two hours;
- All schools are open, but some or all busses are not operating for the day; or
- Some schools (either individually or by family) are closed for the day; or
- All schools are closed for the day.

If weather deteriorates, or is forecasted to worsen throughout the morning, **an 11:00 a.m. announcement could be:**

- Bussed students will be picked up two hours earlier than their regular dismissal time; and
- Walking students will be dismissed at their regularly scheduled lunch hour.

### How will I find out?

- By email to the addresses in PowerSchool
- By text message, **if you have opted-in**. If you aren't sure if you have opted-in, text Y to the following number: **978338**
- [On the HRCE website](#)
- [On Instagram](#)

It's important to always have a plan in place for childcare in the event of any cancellation. Please remember: As a parent or guardian you always have the choice of whether or not to send your child to school.

## What happens when a school loses power?

### Power Outage Information for Families

As we move into the winter months, we want to share how decisions are made when a school experiences a power outage.

Our priority is always to keep schools open safely when possible. A power outage does **not** automatically mean classes are cancelled – even if it happens during the school day. The decision depends on when power is expected to be restored.

#### Here's what happens:

- When a school loses power, HRCE's Operations Team contacts Nova Scotia Power to gather available details on the cause and an estimated restoration time.
- Once we have this information, we consider:
- **Before school starts:** Have buses begun their routes? If so, we wait until students arrive before making a decision. If classes are cancelled, elementary families will be contacted before dismissal.
- **During the school day:** How close is dismissal? What is the temperature in the building? Does the school rely on power for water or septic systems? These factors, among others, help us decide whether to stay open or close. Often, power returns faster than we could safely send students home.

#### If classes are cancelled:

- HRCE will notify families by email and text.
- Families of elementary students will also receive a phone call before dismissal.

Deciding to close schools during a power outage is never simple, but safety is always our top priority. We understand that cancellations can be inconvenient, and our goal is to keep students learning in class whenever possible.
